SUMMARY

Visual Communication graduate with an interest in Product Design, UX/UI, and digital experiences. A fast learner with a proactive approach, strong attention to detail, and a systems-thinking mindset. Enjoys collaborative problem-solving and combining research, functional design, and visual exploration to develop clear and engaging design solutions.

EDUCATION

Bachelor of Design (B.Des.) in Visual Communication | University of Haifa | 2022 - 2026
Full High School Diploma | Shimon Ben Zvi High School, Givatayim | 2017

Courses and Professional Training:
User Experience (UX) Course | BEX College | 2020–2021
Coordination and Liaison NCO Course | IDF, Camp Tzrifin | 2017

PROFESSIONAL EXPERIENCE

Product Designer | Creative + | 2026 - Present
Designed marketing assets and visual materials for digital communications.
Converted Figma designs into functional, animated interfaces using AI-assisted coding tools.
Created AI-generated imagery for marketing and design projects, adapting visual outputs to each project's needs.

RELEVANT PROJECTS

Microsoft Clarity | October 2024 - January 2025
An academic UX project focused on designing a Dark Pattern Detection feature for Microsoft Clarity's behavioral analytics platform. The process included user research, literature review, persona and JTBD definition, full user flow design, and usability testing - transforming behavioral data into actionable insights that promote more ethical digital experiences.

MANARA Coexistence Competition | Third Place | 2026
Selected alongside three colleagues to represent the university in an international competition held by the MANARA Center for Coexistence in Abu Dhabi. Designed and developed an educational children's game that teaches kids about cultures in countries with no diplomatic ties. The team was awarded third place.

MILITARY EXPERIENCE

Career Service, Intelligence Corps | 2019 - 2022
Procurement Team Leader. Led strategic processes to upgrade the procurement system and managed teams working with senior ranks. Released with the rank of Sergeant Major.

Regular Service, Coordinator of Government Activities in the Territories | 2017 - 2019
Coordination and Liaison NCO and later Shift Manager at the Permits Center. Role included teamwork, working with senior commanders, and engagement in civilian-security matters.

AWARDS AND HONORS

2023 - Department Excellence Award, Visual Communication Department, University of Haifa
2021 - Accelerated promotion to Rank of Sergeant Major through excellence protocol (IDF)
2019 - Base Excellence Award, Head of Coordination and Liaison Administration Excellence Award, and recommendation for President's Excellence Award

SKILLS AND TOOLS

Design and User Experience: Figma, Wix
AI-Assisted Design and Prototyping: AI image generation, AI-assisted coding
Graphic Design and Video: Photoshop, Illustrator, InDesign, After Effects, Premiere Pro, Adobe Animate
